TERMS AND CONDITIONS

Except for those stated in the below terms and conditions, there are no warranties, either expressed or implied, as to the merchantability or fitness for a particular purpose with respect to the cattle being sold at this auction. The warranties and guarantees set forth in the "Terms and Conditions" are in lieu of all other warranties, either expressed or implied, and the remedies provided therein shall be the sole and exclusive remedy of the buyer, or any party through buyer, for any breach of warranty or guarantee therein provided, and all other obligations or liabilities.

BIDDING: Each animal will be sold to the highest bidder without reserve. The auctioneer in charge will settle any disputes as to bids and his decision will be final.

TERMS: Terms of the sale are cash unless satisfactory credit arrangements have been made with vendor previous to the sale.

PURCHASER'S RISK: Each animal becomes the risk of the purchaser as soon as sold; but it shall be the obligation of the seller to see that animals are fed and cared for, free of charge to purchaser for a specified length of time.

CERTIFICATE OF REGISTRY: A transferred certificate of registry will be furnished to the purchaser for each animal at no cost to the buyer within sixty (60) days after settlement. Give full name and address to secretary when making payments so the Certificate of Registry will be transferred properly.

HEALTH: All animals are eligible for interstate shipping except for those otherwise noted. Interstate health papers will be furnished for each animal requiring T.B. and Bangs tests in accordance with Federal Regulations. A verification of vaccination will be furnished for each animal under 2 years of age that has been vaccinated for Bangs disease.

A.I. SERVICE CERTIFICATES: A.I. Service Certificates shall be furnished by the seller, at no cost to the buyer, for all females bred artificially to bulls not owned by the seller.

ANNOUNCEMENTS: Any changes from information of any kind in this catalog will be announced from the auction box and such announcements shall take precedence.

BREEDING GUARANTEE:

1. All animals are guaranteed to be breeders with the exception purchaser after sale (in cases of animals shown such as agreed upon between the seller and the buyer), or (c) in the event of (1) injury or disease occurring after sale or (2) gross negligence or willful misconduct on the part of purchaser.

2. SAFE IN CALF FEMALES have been examined by a competent technician and are so guaranteed.

3. SERVED FEMALES are believed to be in calf but are not so guaranteed.

4. PASTURE BRED FEMALES have been exposed but are not guaranteed to be in calf.

5. OPEN FEMALES have not been served and are so guaranteed.

OPTIONS AND PRIVILEGES OF RETURN OR ADJUSTMENT:

1. All claims for adjustment or return must be made in writing within six months of the sale date or no later than six months of age.

2. If a female sold as "safe in calf" proves not to be in calf, the purchaser may receive the services from the bull previously used, if available; or if the bull is not available, the seller shall be obligated to make satisfactory adjustment on the purchase price to the buyer, or at the buyer's option, refund the purchase price upon the return of the animal to the seller in healthy condition.

3. Any animal that has not proven itself a breeder within the time limits specified above, if in healthy condition, may be returned to seller at buyer's expense. The seller reserves the right and privilege of trying for a period of six months to prove the animal a breeder. If proven a breeder, the animal will be returned at buyer's expense. Should the animal fail to breed, the buyer at his option, may either demand return of the purchase price or replacement of the animal or pair with another of equal value. In case a pair is returned because the cow is determined a nonbreeder, calf must also be returned.

RIGHTS AND OBLIGATIONS:

(A) The above terms and conditions of sale constitute a contract between the buyers and sellers of each animal and shall be equally binding upon both.

(B) Animals resold following purchase in this sale constitute a separate transaction, and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

(C) All persons who attend the sale do so at their own risk and the owners or any person connected with the management of the sale or sale facility assume no liability, legal or otherwise, for any accidents which may occur.
